about barefoot bowls parties

A Barefoot Bowls Party is the perfect activity to bring people together.

An all-inclusive sport, it allows all attendees to get involved, as part of a team and a part of the experience. PLUS it gives an opportunity for your guests to be as social or as competitive as they want to be!

Your Barefoot Bowls Party includes all necessary equipment and your very own coach! They'll explain the game and how to play and can offer guidance throughout your event. This allows you, the organiser, to get involved in your party and let Club Malua take care of the rest.

Club Malua has two state of the art bowling greens, a brand new club house, ample parking and amazing food! Perfect for private parties, sporting groups, corporate events alike. There's four great packages to choose from, or we can tailor one to your needs.
